OPERATIONAL GUIDELINES

KHELO INDIA – ANNUAL SPORTS COMPETITIONS

-1-

OPERATIONAL GUIDELINES ON KHELO INDIA- ANNUAL SPORTS COMPETITIONS

1. Introduction:- The Youth represent the most dynamic and vibrant segment of the population. India is one of the youngest nations in the World, with about 65% of the population being under 35 years of age. The youth in the age group of 15-29 years comprise 27.5% of the population. For promotion and development of sports in the country, following three schemes were being implemented by the Mission Directorate-RGKA in the Department of Sports, Ministry of Youth Affairs and Sports:-

- I. Rajiv Gandhi Khel Abhiyan** - To provide infrastructure in rural areas and to encourage sporting culture in the country through competitions.
- II. Urban Infrastructure Scheme** - To provide quality sports infrastructure in urban areas so as to provide funds for talent to hone their skills.
- III. National Sports Talent Search** – To search young talent.

Currently, there is dearth of supporting infrastructure, absence of encouragement to young people to participate in sports, and lack of organized system of talent search. To achieve better fitness and effective implementation, the above schemes of Rajiv Gandhi Khel Abhiyan (RGKA), Urban Sports Infrastructure Scheme (USIS) and National Sports Talent Search Scheme (NSTSS) have been dovetailed into a single **Central Sector Scheme** named as “Khelo-India: National Programme for Development of Sports”. The scheme has been circulated to all concerned vide this Ministry’s OM/Notification number 37-5/MYAS/RGKA/2015 dated 22nd April, 2016 as amended on 26th May, 2016. This scheme will be implemented from the financial year 2016-17.

2. Objectives of the scheme:-

- a) Mass participation of youth in annual sports competitions through a structured competition;
- b) Identification of talent
- c) Guidance and nurturing of the talent through existing sports academies and new set up either by the Government or State Government in PPP mode.
- d) Creation of Sports Infrastructure at mofussil, Tehsil, District, State levels, etc.

In order to participate in more than 10 sports disciplines in the National level competitions, the States/UTs may adopt the following criteria:-

10.4 Each block will select 05 sports disciplines out of the 10 sports disciplines identified for the State/District level competitions, keeping in view the local considerations. Selection of sports disciplines for block level competitions should be made in such a manner that all 10 sports disciplines selected for district and state level competitions are covered in block level competitions. It means that, block level competitions should be conducted in all 10 sports disciplines in one or the other block.
