

## **Mobilization of over 1 Cr Volunteers To Help In India's Fight Against Covid**

"We have set a target of mobilising 1 crore plus volunteers under the Youth Ministry schemes. The volunteers will not only continue their fight against Covid 19 but will also help citizens gain benefit from Prime Minister's vision of Atmanirbhar Bharat. There are various provisions under Atmanirbhar Bharat that will directly help the poorest of the poor with free ration, medical assistance and more, our volunteers will create awareness about the provisions that have been earmarked for them. Access to the information will help many families survive with dignity in these trying times."

- Shri Kiren Rijiju , Minister YAS
