National Service Scheme

A Framework for Transparency Audit

1. Organization and Function

Vision of National Service Scheme: -

The Motto of NSS, "Not Me, But You" reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students to develop appreciation to other person's point of view and also show consideration to other living beings.

Year of formation- It was launched on 24 September 1969, the birth centenary year of Mahatma Gandhi by Union Education Minister Dr. V.K.R.V. Rao. The NSS programme was launched in 37 universities with 40,000 volunteers covering all States in 1969. Now the strength has reached 3.9 Million in 694 universities.

Mission of National Service Scheme: -

The overall vision of National Service Scheme, is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying. The reason for the formulation: of this objective is the general realization that the students in colleges (+2 level and above) and universities who are expected to be the future leaders and sensitizers are found to be out of sync with the community processes in rural and urban communities in which constitute the majority of the population of the country lives. This could be due to their urban orientation and immersion in studies. Therefore it is necessary to arouse the social conscience of the students, and to provide them with an opportunity to work with the people in the villages and urban communities. The NSS serves as a perfect ground for their interaction with the rural masses and urban slum dwellers, which in turn would enhance their social perception.

Key Objective of National Service Scheme: -

The general objective of the National Service Scheme is "development of the personality of students through community service". This objective is sought to be achieved by enabling the students to work in community which will inculcate the spirit of social responsibility in students and to provide service to society without bias..

The main aims & objectives of National Service Scheme (NSS) are:

- To enable the students to understand the community in which they work;
- To understand themselves in relation to their community;
- To identify the needs and problems of the community and involve them in problem solving process;
- To develop among themselves a sense of social and civic responsibility
- To utilize their knowledge in finding practical solutions to individual and community problems;

Function and Duties of NSS:-

Broadly, the various programmes or activities undertaken by the NSS are as under.

1. Regular activities:

Each NSS unit in the college/school normally has 100 volunteers, which undertakes various programmes in the adopted villages, college/school campuses and urban slums. Every Volunteer is enrolled for two years and is expected to devote 120 hours of Community Service in a year, totalling to 240 Hours in the second consecutive year. The nature of different activities involves:

- **Education:** Adult Literacy, Pre School Education, Continuing Education of School Drop Outs, etc.
- **Health, Family Welfare & Nutrition:** Immunization, Blood Donation, Health Education, AIDS Awareness, etc.
- **Environment Conservation:** Plantation of Trees, cleaning and maintenance of streets, drains, etc.
- **Social Service Programmes:** Work in Hospitals, Institutions for disabled persons, Orphanages, Old - Age Homes, etc.
- **Programmes for improving status of Women:** Awareness on Women Rights, imparting skill training, etc.
- **Relief and Rehabilitation during Natural Calamities:** Working with local authorities in rescue & relief operation.
- **Production Oriented Programmes:** Education Registration, Improved Agricultural Practices, Animal Resources development, etc.

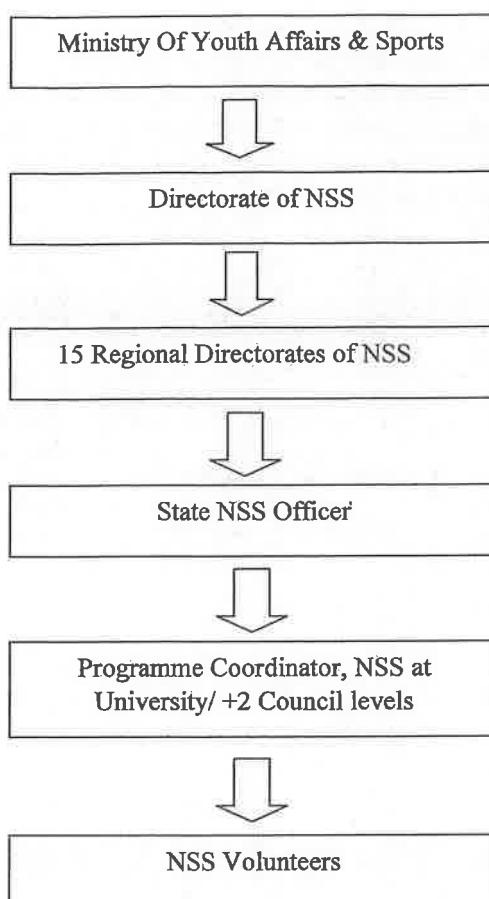

2. Special Camping:-

Special Camp of Seven Days duration is organized in the adopted Village/Slum Areas. It is imperative that it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community and experience their lifestyles, their problems/challenges and social limitations.

Special camping programmes were organized generally on various developmental issues of national importance. In the past, the themes of the Special Camping Programmes have been 'Youth against Famine, Youth against Dirt and Disease', 'Youth for Rural Reconstruction', 'Youth for Eco-Development' and 'Youth for Mass Literacy', 'Youth for National Integration & Social Harmony' and 'Youth for Sustainable Development with special focus on Watershed Management and Wasteland Development'.

2.1. Adoption of village/Slum:

Adoption of a village/slum is a very meaningful programme in NSS. It is far better to focus on one village and take up the task for development perspective, than to fritter away energy in many locations involving too many activities which may not be completed at all or where the follow up action may not be possible.

Organisational Chart of the NSS
